Non-fiction – main idea Non-Fiction Science and Social Studies – Text Features <ol style="list-style-type: none"> 6. How to find information – table of contents, headings, glossary, index 7. How to use information – maps, timelines, flow chart, tables, pictures, close ups
<ul style="list-style-type: none"> Universal Comprehension Approaches <ol style="list-style-type: none"> 8. Building Background Knowledge 9. Vocabulary Development 	

Objectives

- Review informational text types
- Understand the importance of using the text features in text
- Explore instructional strategies
- Strategies to support English Learners

Informational Text Types

EXPOSITORY <ul style="list-style-type: none"> • Textbook • News Article • Feature Article • Encyclopedia Entry • Book Review • Informational Trade Book 	PROCEDURAL <ul style="list-style-type: none"> • Recipe • Schedule • Map • Directions • Table • Graph • Time Line
PERSUASIVE or ARGUMENT <ul style="list-style-type: none"> • Informational Trade Book • Journal • Speech • Simple Persuasive Essay 	

The Importance of Using Features

- Features help students locate information
- Students must be aware to the purpose of each text feature
- Students need to know the various presentations of the features (e.g., tables of contents might not look alike but the purpose is the same)
- Overall, helps students understand how to find information in text

Strategy

- *Activity handouts and instructions available in RESOURCE LIBRARY*
- 1. Locating and explaining the purposes of text features (*modeled in video*)

Locating Text Features

- Scavenger Hunt: What is Water Worth?; Coral Reef; The Plague (see activity guide)
- Video of practice

Stop Here and Practice

Select a few texts from A-Z Readers

Locate various text features using the handout in Module 6

Supporting English Learners

- Understanding how to navigate the text supports all learners
- Before reading, preview the text with the student to identify table of contents, index, headings, sidebars, glossary (some glossaries include pictures)
- Explain how each feature helps students locate important information
