

College Assistance Migrant Program

Our Goal:

Assist students in applying, entering, and succeeding at a university level. We offer students a pre-college transition summer program and 1st year support via scholarships, mentoring and academic services.

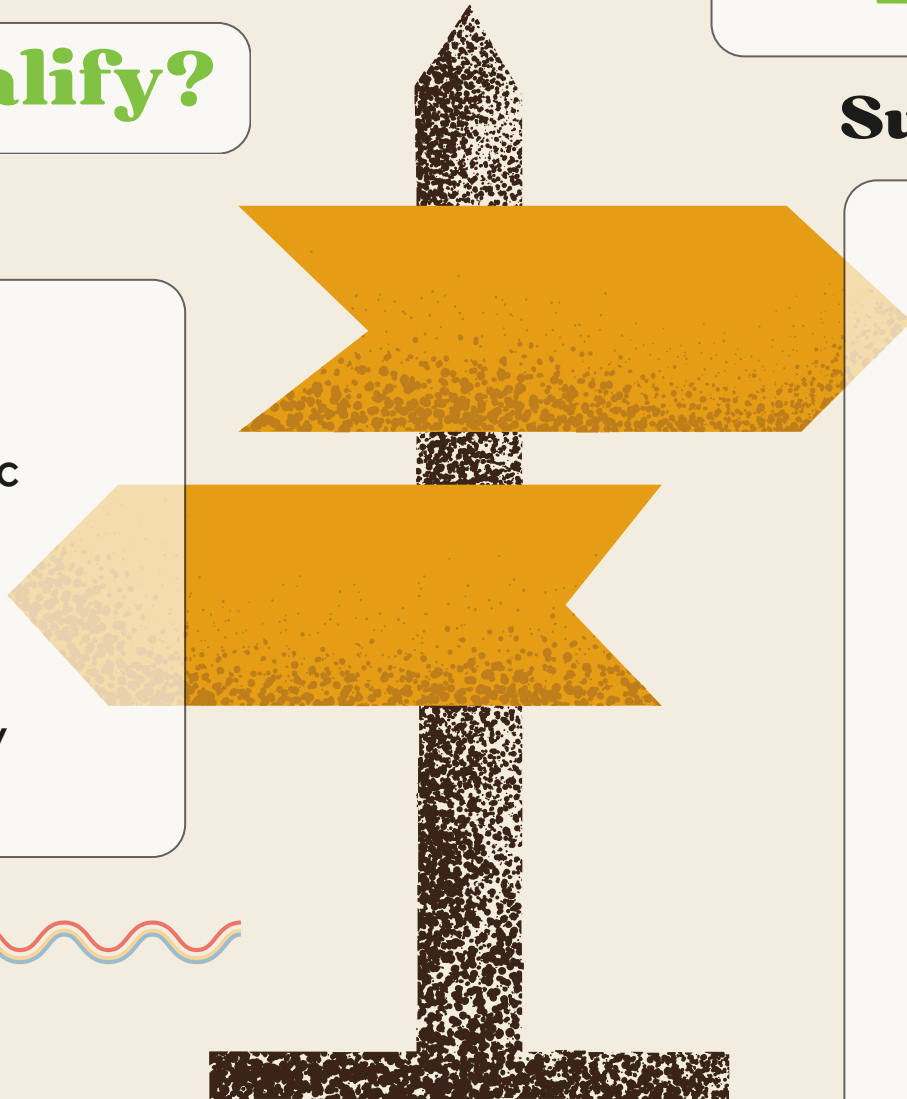

CAMP is designed to give students from temporary/migrant or seasonal farm working families an opportunity to pursue higher education. Established in 1981, CAMP has successfully helped thousands of students accomplish their educational goals nationwide.

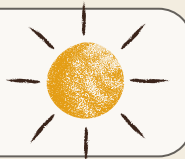

How do I Qualify?
