SHORT TERM GOALS

- What are your goals for the time you are here?
- What is your goal for the next week, month, etc.?
- How do these goals relate to your overall goal?
- What can I teach you that will help you meet your goal?
- What can you do outside of class to achieve your goal?

STEPS TO MEET YOUR GOAL

- What do you have to do to meet your goal?
- What do you have to know and be able to do to meet your goal? What education is required?
- What can we, as Migrant Educators, do to help you to meet your goal?
- What can you do on your own, after the Migrant Educators are no longer around, to achieve your goal?
